Price: From \$1,834 per person, based on 2 in a fabulous Huntley room. Have your own air? Deduct \$555

Join Eileen & Mary for the Snowshark's second trip of the 2019 Season!!

Big Sky resort is the largest ski area in Montana covering more than 5,532 acres with a vertical rise of more than 4,300 feet and the most diverse terrain in Montana. On an average day, there are less than 2 skiers per acre! Befitting the largest ski area in Montana, they also have the largest lift network. Located in the Spanish Peaks mountain range, the ski area is built on and around the summit known as Lone Peak. Lone Peak is the 'skier's mountain' with the top half having some of the best expert skiing in Montana and the lower elevations are well rounded for intermediate and beginner runs. The second section of the resort is the Andesite Mountain section with excellent intermediate groomers that will take you right back down to the Mountain Village area. Ride the Lone Peak Tram for a 360-degree view of Yellowstone National Park, the Grand Tetons and all three bordering states.

Our lodging will be the first class Huntley Lodge, a 3 story slope side hotel conveniently located in the heart of the Mountain Village and the vision of the late NBC news broadcaster Chet Huntley. The lodge is recently remodeled with rooms providing wet bar, coffee makers, refrigerator, sitting area, hi speed wireless internet access and all just steps from the lifts. Lodging at the Huntley has Queen rooms or a room with a loft. It also includes a daily breakfast buffet and is considered ski in-ski out. The lodge complex includes Chet's Bar & Grill, coffee cart in the Firehole Lounge, shops, ski storage and the newly remodeled Solace Spa.

Included are a welcome wine and cheese reception, one group dinner party, a fabulous breakfast buffet every day, and a FSC themed dinner party with entertainment.

Big Sky is a short 52 minute drive from the Bozeman Airport and shuttle and baggage handling are included. The area enjoys over 400" of annual snowfall with the top elevation being 11,166 feet and the base at 7,000 feet. The area is divided 26% expert, 33% advanced, 21% intermediate and 20% beginner. Brand new 8 person high speed HEATED chair lift!

Rentals and great lift ticket packages will be available. Come and enjoy a spectacular week with old friends and new at Big Sky!
