COPPER MOUNTAIN has been consistently voted the locals' favorite ski spot, and for very good reason. When the snow falls, which it will at 14,000ft, click into your skis for some fantastic skiing. Indulge in 2,465 acres of powdery bliss as you cruise down Colorado's favorite mountain. Soak in the peaks of Gore Range, Ten Mile Range, and others while you take advantage of all the moguls, tree skiing, bowls, and wide-open groomers Copper has to offer. Located just 75 miles west of Denver, Colo. in the heart of the Rocky Mountains, Copper Mountain Resort is an ideal vacation destination with a laid-back and inclusive vibe that represents the best of Colorado. Three pedestrian-friendly village areas provide a vibrant atmosphere with lodging, retail outlets, restaurants, bars and family activities. Copper's naturally-divided terrain offers world-class skiing and riding for all ages and abilities. Also features a mountain designed by Mother Nature with skiers in mind! The slopes are laid out with the easiest cruisers at one end and all the "steep and deep" at the other. In between are intermediate runs gradually becoming more difficult as the skier moves across the face of the mountain. This natural separation lets beginners ski without concern for "hot dog" skiers and the more advanced skiers have a clear path to do their own thing! The planned upgrades to replace the American Eagle and American Flyer lifts with high-speed cabin and bubble-style lift service are slated to debut during the 2018-19 ski season. A Leitner Poma high-speed 6-person chair with bubble enclosures is set to replace the high-speed quad known as the American Flyer lift, offering a more comfortable ride and a 33 percent increase in uphill capacity. The new lift will primarily serve the easy and intermediate side of the resort's unique naturally-divided terrain and will provide expedited access to Copper's advanced high alpine bowls.

We are offering 3 choices of lodging: 1 Bedroom / 1 Bath, 2 Bedroom / 2 Bath, or 2 Bedroom / 2 Bath with Twin or Double Guarantee in 2nd bedroom.

We will fly into Denver and then take a charter bus ride to Copper Mountain. Have your own transportation? This trip is available land only for a \$474 deduction from the prices shown.
