Wellness Spa

Price: \$2999 based on 2 per room

The Snowshark's are going back to the Hotel Theresa Spa!! Don't miss this wonderful trip to relax and pamper yourself while seeing some of the most beautiful scenery in the world! We are headed to Zell am Ziller Austria and the Hotel Theresa Spa Hotel. This will be the clubs third visit there, last done in 2011. <http://www.theresa.at>

This hotel is family owned and operated with a full service spa. All of the rooms have been redone since we were last there and many more have been added. Use of all spa facilities are included and many more spa services available for hire. But this is not just a spa destination. The Zillertal (Ziller valley) is beautiful with the town of Zell a short walk away and the larger Mayrhofen a short train ride away. Catch the train in front of the hotel. Skiing is available for those interested. The valleys are beautiful and provide a short hike thru easy winter vistas to enjoy a local restaurant for a coffee and distinctive Austrian dessert. All meals are included in your stay. Breakfast is a rich organic buffet with hot and cold specialties. Afternoon wellness buffet provides salads, soups and hot dishes, drinks, tea and desserts to 5pm. Then dinner is a 5 course menu of Austrian classics including a cheese buffet and salad bar. Many of the vegetables are grown by Stefan, the son and chef. He chooses only organically fed meats. The bar provides a long list of fine wines and spirits.

The Theresa has a daily schedule of activities from exercise to specials on spa services. They provide excursions for skiing snowshoeing and hiking. Nightly entertainment too. Even a torchlight walk at night. Check out the spa facilities on the next page. Our package will include air from Tampa on the 18th to Munich, all transfers with an English speaking guide to the Theresa for 7 nights, all meals and transfer back to Munich with a 1 night stay at the Munich Airport Hilton to ready us for our flight home on the 27th. Day trips to local areas will be arranged as well as skiing and sledding for those interested. This is a bucket list trip!!
