Ski with Lou & Polly at Taos Ski Valley in New Mexico. This trip starts at Tampa International Airport where your ski trip leaders, Polly & Lou will be there to assist you. After arriving in Albuquerque, NM, a motor coach will transport our group to Taos from the airport with a stop for groceries. For those looking for adventure and some of the best powder out west, Taos is the trip for you. Taos is one of the world's most unique and picturesque ski resorts. Ski rental equipment and lift tickets will be offered at discounted rates. In addition, Taos Ski Valley has a special rate of \$262 for the ski week group lesson consisting of 2 hours of morning instructions every day for 6 days.

TAOS SKI VALLEY: Some ski resorts are manufactured for the masses. This is not one of them. Taos Ski Valley is a rugged, authentic mountain, pioneered by people who put skiing first and all else second. Kachina Peak stands high above the Sangre de Cristo mountain range at 12,481 feet. From here, skiers and boarders survey some of the finest terrain in North America- bone dry powder shots, steep chutes, big bumps, cornices, and glades- it is all here. If heart-stopping terrain is not your thing, you will find miles of well-manicured slopes and gradual groomers to carve up all season long. This mecca of snow sports shows every level of skier and boarder a great time. Thanks to Mother Nature's genius and some coveted stashes, there's always more to explore than your legs will allow

ACCOMODATIONS: Snakedance is a premier slope side property, with ski in/ski out convenience. The property is now made up of one, two and three bedroom suites. On-site amenities include a grocery, convenience store, award-winning restaurant and bar, spa, fitness and laundry facilities as well as attended ski storage.

Snakedance Two-Bedroom Condos offer spacious rooms and comfortable decor to please the whole family. Each unit is individually decorated around the focal points of a cozy gas fireplace and French doors that open up onto a Juliet Balcony. Each unit comes with a fully equipped kitchen with granite countertops. The Two-Bedroom unit comes with a king/split king in each bedroom and a queen pull out sofa bed in the living room. This unit also has two full bathrooms. Wireless high-speed Internet access is available in each unit are two satellite TVs with DVD players for après ski relaxation.
