Zermatt, Switzerland is a stunningly pretty alpine village and among the most historic and scenic ski resorts in the world. Skiing enthusiasts from around the globe come to Zermatt. They come to experience perfect skiing with miles of marked trails, fantastic slopes, sun and snow. Here, between Zermatt and Cervinia, Italy, lies the highest ski area in Switzerland, the Matterhorn ski paradise. It has 360 acres of blue, red, black and yellow runs which promise fantastic skiing for all with modern lifts and cable cars including the recently opened Matterhorn glacier ride. The mountain village of Zermatt is one of the great ski and climbing centers of the world. Nestled in a deep valley enclosed between steep jagged mountains, it is dominated by the huge and graceful pyramid of the Matterhorn. When you enter the village of Zermatt, you know you are in a special place. What strikes you most often is the silence. There are no cars, and the train stops here. The air is fresh and crisp. But more than this, you immediately feel a part of the village. While walking through the cobbled paths of town, you catch your first glimpse of the Matterhorn and know you have come to the right place. The town pulses with life. Shops, cafés, bars and hotel lounges offer variety. Zermatt is also a village with houses dating back more than 500 years. Everything is within a short walk – even romantic neighborhoods and quiet corners. Eventually all paths lead directly to the peaceful and yet wild mountain world at the foot of the Matterhorn.

The only thing remaining is to have YOU on our trip! Join the fun-loving group of skiers already signed up to go. Whether you ski or just enjoy the ambience, shopping and sightseeing, you will surely have a great vacation. Lots of social events are included to keep your après-ski time filled with fun and laughter.
