

The Bay Pines VA Winter Sports Team Needs Your Support

In March 2015 the **Bay Pines VA Winter Sports Team** will participate in the National Disabled Veterans Winter Sports Clinic in Snowmass, Co.

“Miracles on the Mountainside”

Veterans attend from across the country – proving that have a disability need not be an obstacle to and active, rewarding life.

This annual event has several national sponsors; our Bay Pines Team pays for airfare and lodging expenses. We need local donors to help cover this expense.

100% of your donation will benefit the Veterans; your help is greatly appreciated.
