**Price: From \$1,474.00 per person, based on 4 in a 2Q Kitchen Loft.**

Another wonderful club trip to Whitefish, Montana (formerly Big Mountain) to see how big the skiing can be. Situated near Glacier National Park and the laid back town of Whitefish, snow envelopes the mountain with powder. The uncrowned slopes and natural mountain layout complete the picture. Lakeside you'll find the town of Whitefish unexposed to the "big resort" approach to ski towns. It's a Montana kind of place where visitors thrive on the richness of the local flavor.

We will be staying at the Kandahar Lodge which is a ski-in property on the resort only seven miles from the town of Whitefish. Each room has a full kitchen, flat screen TV and free WiFi. This intimate European-style lodge offers a beautiful lobby with a wood burning river rock fireplace, 50 luxurious hotel rooms and suites, and a restaurant with a thoughtfully constructed cuisine and a Chef's tasting meal served nightly. An extensive wine list is also served at the Snug Bar. Amenities include a free daily continental breakfast, outdoor hot tub, steam room, exercise room, massage services, heated boot room, ski storage and roundtrip baggage handling.

At the beginning of the ski day, you can choose a short walk (across the parking lot) then ski down to Chair 6; or they will take you to the village core in one of their vans. At the end of your ski day, simply ski down Hailey's Run to the hotel. While the resort is very easy to walk around, they offer van transfers to and from the village if you prefer.

We have air scheduled from Tampa to Glacier Park International Airport in Kalispell which is only about 40 minutes from the resort base. This conveniently located property is only a short walk to the S.N.O.W. bus stop providing free transfers to/from Whitefish which is only 15 minutes away by bus. There, you will find an exciting, vibrant town offering a selection of excellent restaurants, unique shopping, a brewery, typical Montana bars, art galleries and museums. The entrance to Glacier National Park is about an hour away.

Price for lift tickets are only \$350 for a 5-day Adult ticket; \$310 for a 5-day Senior 65-69; \$125 for a 5-day Super Senior 70+. There are complimentary Mountain Tours daily that meet at 10:30am and 1:30pm at the top or bottom of Chair One.
